

## 【Instruction about Session】

**Method:** Your Oral Presentation in General Session is 15 minutes talk followed by Q&A.

Students are required to stay in the session you are belonging.

However, if you do not have session that day, you can also hear another group's session.

### <For Co-Chair Students>

Please also block your schedule and join from TITECH venue to assist Chair.

### <About Presentation Materials>

#### ① Please prepare Power Point materials in English

**15 min presentation, followed by 5 min Q&A (20 min/Student)**

Presentation is in the order from the top person of the list.

#### ② Please prepare with the content which other area persons can also understand.

Since other theme students plus referees of other specialization also will hear your presentation, It needs to be understandable for them, too.

#### ③ Zoom Display Name

Please change your Zoom display name as follows so that all attendees can see your name and affiliation.

**Family Name\_School Name** (Example: Edison\_TITECH)

※Please log in Zoom with camera on so that all attendees can see your face well.

### <Tokyo Tech Students Only> ↓

●Please attend from TITECH event venue in principle.

●Please bring your PC and Earphone with you and log in from your own PC.

※This may subject to change depends on COVID situation.
